

Bristol and Bridgwater are the perfect locations within the South West to enjoy this very special part of England. Ideal for touring Gloucestershire and the Cotswolds, Dorset's Jurassic Coast or the rolling hills of Somerset and Exmoor National Park.

Imagine riding a bike across the wide open spaces of a national park and through picturesque villages down to the sea. Take in the glorious Roman City of Bath, discover Bristol's nautical history and admire the marvel of Stonehenge.

A little further afield from our hire bases but still easily within reach is Dartmoor the largest wilderness area in Southern England. Why not travel south and explore the rugged coastline of Cornwall, Lands End, the Lizard and the world famous Eden Project?

Our Cardiff branch is situated in the Welsh capital city, home of the Millennium Stadium and a stone's throw from the Brecon Beacons National Park which covers about a third of South Wales. The Brecon Beacons are home to Pen y Fan, the highest mountain south of Snowdonia and offer amazing scenery and riding. To the west of Cardiff is the stunning Pembrokeshire coastline, why not visit St David's the United Kingdom's smallest city?

EXPLORA

RENTAL OPTIONS

GO, EXPLORE, HAVE FUN

Riders of Bridgwater, Bristol and Cardiff are pleased to be able to offer motorcycle rental. You can hire an iconic Harley-Davidson from the easy-to-handle Sportster, big-twin Dyna, head-turning Softail or mile-munching Tourer families. If you are looking for the ultimate riding machine then why not choose a BMW?

All our rentals are late-model motorcycles that have been serviced and maintained according to the manufacturers' high standards, and full insurance. Breakdown cover is included and there are great discounts for longer bookings.

Hiring a motorcycle can make a great gift (never be stuck for Father's Day or anniversary again!) or a way to celebrate. It is also popular with those who don't have time to ride or own a bike full-time but would like to holiday on two wheels and those who just want to escape on their own for a while.

Don't forget the following:

To hire a motorcycle from Riders you must be over 25 years old and have:

- A valid motorcycle operator's license
- Experience of handling a heavyweight motorcycle
- A credit card with available funds for security deposit.

We will ask for 3 forms of ID one of which must have a photograph, i.e passport, driving licence, utility bill and a refundable security deposit of £1,000. All rentals are subject to insurance underwriters' agreement.
